

Here's to choosing a simpler way

Opt for a seamless journey to
Afghanistan via Pakistan
with Maersk's first-of-its-kind
TBL services.

Sometimes taking the easier route for your cargo is a smart move.

When the journey seems to pose a lot of setbacks, then it is always a good idea to consider an alternative route. Better yet is to have a trusted partner all the way, handling all the complexities for you.

Maersk's Through Bill of Lading will ensure a seamless journey for your cargo, from the world to Afghanistan via Pakistan.

What do you gain from Maersk's Through Bill of Lading?

-  Single invoicing for all your logistics activities
-  Flexible handling of cargo
-  Elimination of container security deposits
-  Removal of detention charges
