Madagascar Demurrage and Detention

Demurrage and Detention Definition

Demurrage: This fee is applicable when the customer holds carrier equipment in the terminal for longer than the agreed amount of free time and can be incurred for Imports and Exports. Export Demurrage days are counted from gate-in (full) to container loading minus free days.

Import: Demurrage days are counted from container discharge to gate-out (full) minus free days.

Detention: Detention charges occur when the consignee holds onto the carrier's container outside of the port, terminal, or depot beyond the free time that is allotted. Export: Detention days are counted from pick-up empty to gate-in full minus free days.

Import: Detention days are counted from discharge full to gate-in empty minus free days.*

This fee is applicable to all containers that remain in the customer's possession longer than the agreed free time. Calculations are based on calendar days, and the amount is per day, per container from the date of discharge till empty return at the prescribed depot.

Storage is billed and payable directly to the port operator (Except in South Africa where this is billed by the line on behalf of the Terminal as a back to back charge)

Non-operating reefers (NORs) are charged as DRY Non-IMO containers.

Shipper's Own Containers (SOC) are not subject to Demurrage and Detention.
