

Import Freight Payments – Mozambique

Dear Valued Customer,

Due to the ongoing foreign exchange challenges in Mozambique, and with no foreseeable improvement in the current forex situation, Maersk has no option but to implement further measures to mitigate the inflow of funds within the country.

Effective 20 October 2025, all import-related charges for new bookings—excluding destination detention fees—will only be accepted on a prepaid basis at the origin country.

This change is necessary due to restrictions that are affecting our ability to remit funds to our principals outside Mozambique.

Please note:

- All charges listed in the table below will be invoiced on a **prepaid** basis as of 20 October 2025.
- Charges already on prepaid terms since **15 July 2025** are highlighted in **green** for your reference.

Charge Code	Charge code description
BAS	Basic Ocean Freight
BAF	Bunker Adjustment Factor
EBS	Emergency Bunker Fee
EMS	Emission Surcharge
FFF	Fossil Fuel Fee
LSS	Low Sulphur Surcharge
PSS	Peak Season Surcharge
DHC	Destination handling fee
IMP	Import Service Fee
DDF	Destination Doc Fee

We appreciate your understanding and continued support as we navigate these operational constraints together. Should you have any questions or require further clarification, please do not hesitate to contact your local Maersk representative.

Thanks and Regards
