Declaration of multiple HS Codes in the Shipping Instructions for Germany Imports

Dear customer,

As per Germany Customs Regulations, we need to declare the commodities with different HS Codes in separate cargoline or description in the Import Manifest.

In order to comply to these regulations, we request you to submit a proper Shipping Instructions specifying the HS Code for each Commodity along with number of packages, packing unit, gross weight (KGS) and Volume (CBM) under **"Additional Comments"** section of the www.maersk.com Shipping Instructions page as shown below.

Additional Comments
1. MSKUXXXXXXX HS CODE -8539910 LAMP CAPS 1900 Carton Gross Weight: 9800 KGS Measurement: 56.40 CBM 2. MSKUXXXXXXX HS CODE -701399 CRYSTAL HURRICANE SODA-LIME GLASS ENGRAVED FLORAL DESIGN 1680 Carton Gross Weight: 8380 KGS Measurement: 61.32 CBM

This information is required over and above what is provided on the "Cargo Description" section. The description of each Commodity will be updated separately on the bill of lading and we will not be able to combine the cargo description for different HS Codes or Commodities as per the Customs regulations.

Non-adherence to these regulations will lead to an amendment to the manifest. The manifest has to be then amended by our Germany Import team with customs.

In order to make sure your shipments clearance at destination smoothly and reduce unnecessary surcharge, please submit shipping instruction properly else it will lead an amendment with the customs with below surcharges.
