

Customer Advisory

Update on Terminal Handling Charge for Subic

September 27, 2021

Dear Customer,

Please be informed that effective October 01, 2021(Departure Date), we will be adjusting the terminal handling charge for DRY shipments to/from the port of Subic.

Surcharge	Location		20DRY	40/40H DRY	20REEF	40HREF
Destination Handling Charge (OHC)	Subic	Per Container	USD 162	USD 204	USD 192	USD 240
Origin Handling Charge (OHC)	Subic	Per Container	USD 162	USD 204	USD 192	USD 240

The implementation is in line with the 1st and 2nd tranche of rate adjustment for containerized cargo handling from the Subic Bay Metropolitan Authority (SBMA) Resolution No. 21-03-1985.

Should you have further queries or require additional information, please contact your local Sealand Philippines representative.

We thank you for your business and continued support.

Best Regards,

Sealand – A Maersk Company
