

AI-Powered Invoice Summary

The **AI-Powered Invoice Summary** feature allows you to quickly review important invoice details without opening or downloading the full document.

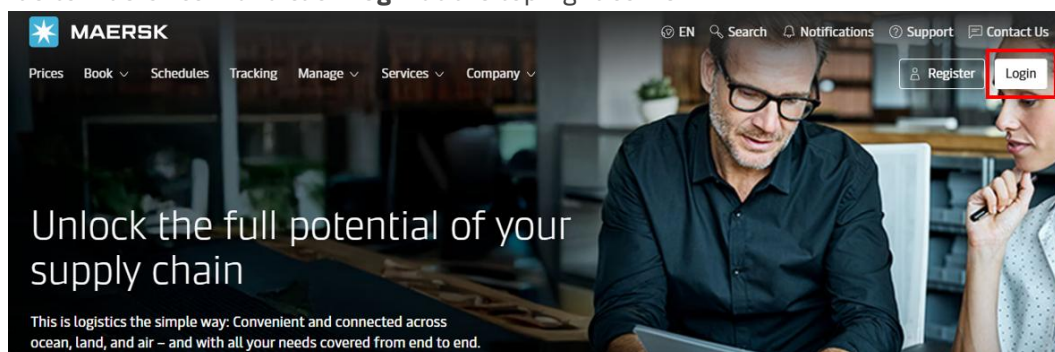

With this feature, you can:

- Instantly view key charges and total amounts
- Review coverage details at a glance
- Identify important line items quickly
- Save time by accessing summarized information in seconds

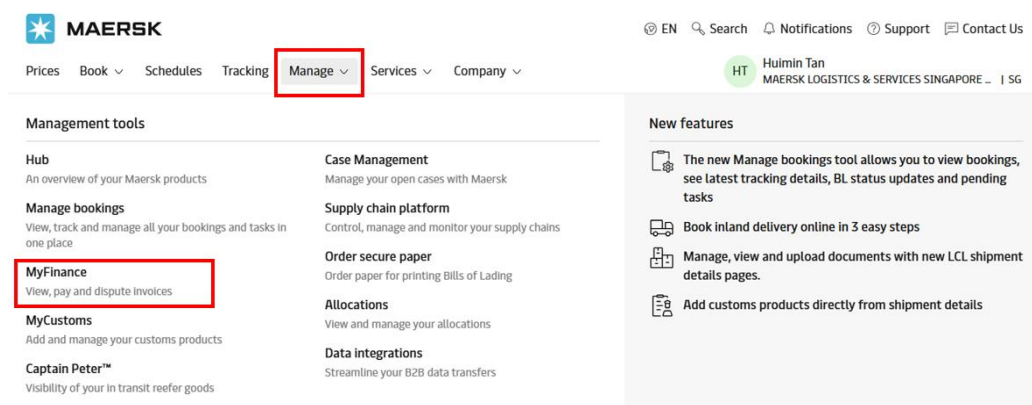

Use this feature whenever you need a fast overview of an invoice before deciding whether to review the full document.

How to access this feature?

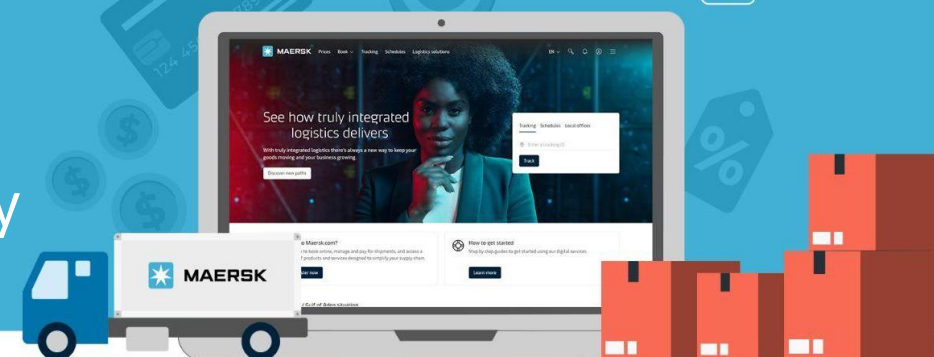

1. Go to Maersk.com and click **Login** at the top right corner.

2. From the main menu, select **Manage**, then click **MyFinance**.
