

Country: Belgium
Direction: Import
Effective Date: 15th July 2022
Expiry Date: 14th March 2024
Free time: Calendar days
Currency: EUR
Invoiced: Per container, per calendar day, per container type
Application: The free time & charges applied will be those in place on the origin price calculation date (PCD)

Free time: "Free Time" is the period agreed between the Carrier and the Merchant for which Demurrage and Detention shall not be paid by the Merchant.

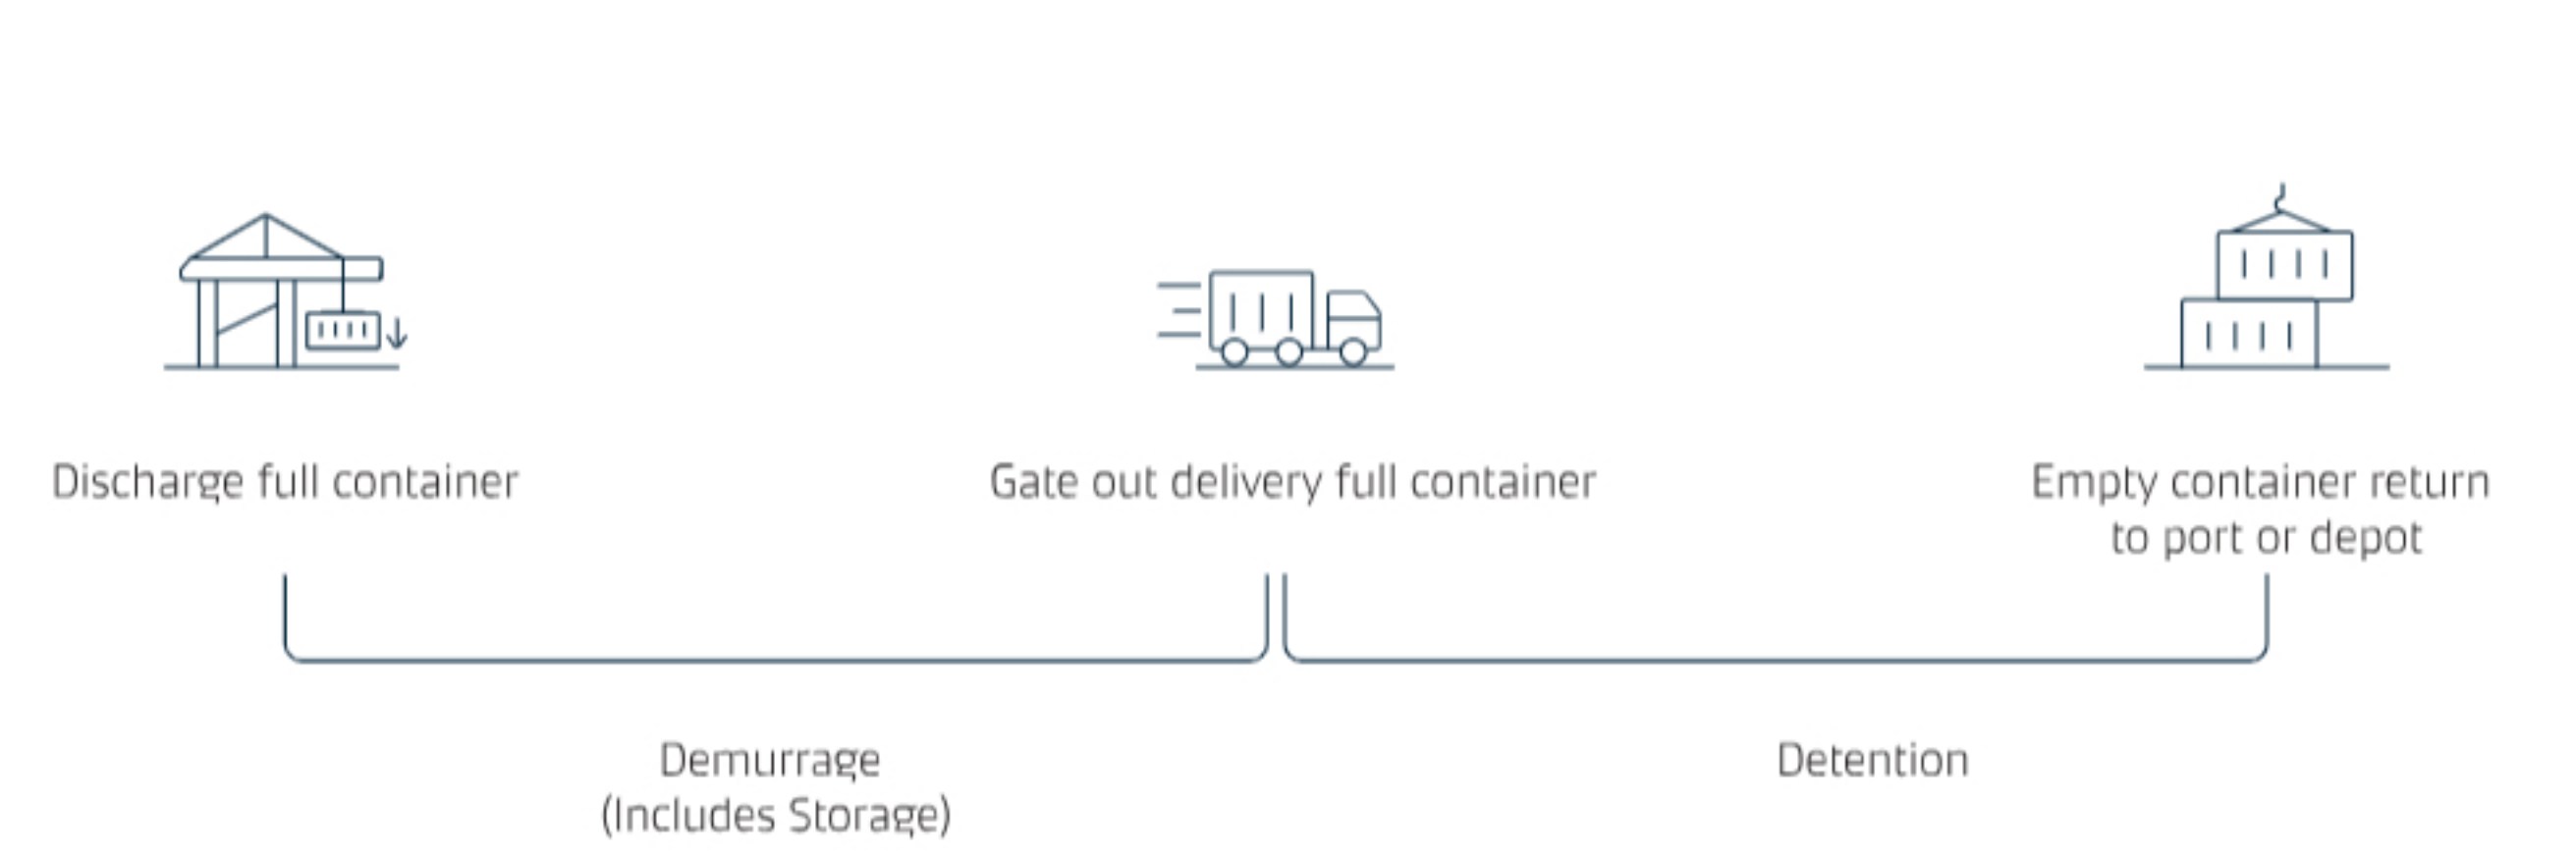

Detention: Compensation payable when the Merchant holds Carrier's Container outside the port, terminal, or depot beyond the agreed amount of Free Time.

Demurrage: Compensation payable when the Merchant holds Carrier's Container inside the terminal, port, or depot beyond the agreed amount of Free Time (the compensation includes terminal storage costs).

Name	Start	End
Demurrage	Commences on and includes the day that the full container is discharged from a vessel or gated-in at inland terminal.	Ends on the day that the full container is gated-out for delivery from the last port or terminal. Demurrage is invoiced based on tariff of final gate-out full location.
Detention	Commences on and includes the day that the full container is gated-out for delivery from the last port or terminal.	Ends on the day that the empty container is gated-in at the agreed port or terminal. Detention is invoiced based on tariff of empty return location.
