

Dear Customers,

we would like to offer you the opportunity to flexible choose the return delivery depot within the port range for 20DC / 40DC / 40HC.

Absolutely no acceptance of Reefer units in the German inland.

The depot you have been advised on the delivery order might have changed, if received last weeks.

Therefore please check below, which terminal will accept your container for the current week.

If depot change is needed, please send a notification with new depot to your customer service counterpart.
