Notice for Bank Account Change

Dear customer,

We are pleased to share important updates about our banking arrangements in European countries. As part of our commitment to continuously enhance customer experience, we have centralised and streamlined our banking operations by transitioning to a new banking partner.

For Greece, please note that effective from **18 September 2024**, our carrier **Maersk A/S** opened a **new bank account** with our esteemed banking partner, BNP Paribas with the following details:

Currency	EUR
Bank Code	BNPA
Account Number	8027000012
SWIFT/BIC	BNPANL2A
IBAN	NL76BNPA8027000012

We will be closing the prior EUR Freight Collection Bank account for Greece by December 2024.

Please note that in some cases, we have noticed incorrect bank account details on a few invoices (**dated from 18 September 2024 to 24 September 2024**) due to a technical error. We want to inform you that the technical issue has been resolved by our dedicated team. We kindly request that you make payments to the new bank account, which is provided in the attached bank confirmation letter.

We believe that this transition will streamline our banking operations and provide a more efficient service to our customers. If you have any questions concerning the above, please reach out to your regular contact person.

We appreciate your patience and understanding as we work to improve our financial system to serve you better.

Sincerely,

A. P. Moller – Maersk
