

01 June 2026

Fossil Fuel Fee (FFF) for Contracts over 3 months validity

Dear Customer,

Maersk has reviewed its Fossil Fuel Fee (FFF) and the new tariffs will be effective 01 July 2026.

We have used Platts' fuel price index for 0,5% Sulphur fuel oil (VLSFO) & 0,1% Sulphur fuel oil (LSMGO) for the FFF calculation. The details on the period used for the calculation can be found in the table below:

Fuel Reference Period for Q3 2026-FFF				Effective Date	Fuel Type	Average (In USD per ton)
From Date	From Month	To Date	To Month			
11	February	10	May	01-July-26	VLSFO (0,5%S)	774,65
11	February	10	May	01-July-26	LSMGO (0,1%S)	1267,02

Should you have any questions or require further clarification, please do not hesitate to reach out to your Maersk Sales representative.

Sincerely,

A. P. Moller – Maersk
