

Your trusted logistics partner is now accredited by Dubai Customs AEO Program

This means a seamless end-to-end
supply chain experience for you.

Maersk Dubai receives the coveted accreditation from **Dubai Customs AEO Program**. This means a trusted and seamless supply chain experience for you.

We understand that Dubai is a critical hub for global trade. And that the cargo that reaches Dubai needs to reach your markets just as seamlessly. Here's the good news - you can now be confident that it will, with accreditation from Dubai Customs Authorised Economic Operator (AEO) Program.

This accolade can mean a host of advantages for your end-to-end supply chain.

Reliability

Gain the benefits of partnering with a trusted business with WCO standards recognised by Dubai Customs.

Priority

Enjoy the priority in customs inspection, procedures, queues and slots.

Speed

Get faster clearance of your cargo with the help of non-intrusive technology, which means no de-stuffing of cargo.

Convenience

Skip submitting hard copies of customs documents after shipment release.

At Maersk, we go all the way to ensure that your cargo enjoys a seamless supply chain journey, from departure to destination. We're confident that the AEO certification from Dubai Customs will help us ensure that for you even further.

Maersk is AEO certified in **24 countries** and aims to become a trusted partner of Customs at a global level. We are also CTPAT certified in the United States and Canada, an equivalent of AEO.
